Woodbridge School District
Uniform Dress Code
Financial Assistance Program

Woodbridge School District recognizes that some families may face financial hardship in complying with our school's Uniform Dress Code Policy. Families who meet the guidelines listed below may apply for a financial assistance grant from the Woodbridge School District to help defray the cost of purchasing uniform clothing.

- All families requesting assistance must complete a Financial Assistance Grant Application and return it to the school of attendance.
- Grants are limited up to **\$25.00** for each child enrolled at Woodbridge School District per school year.
- Families must be eligible for Direct Certification (DCRT) as established by the federal government and the Delaware Department of Social Services.
- The opportunity to participate in the Woodbridge School District Financial Assistance Program will begin the first Monday in August through the fifth school day of any school year. Students who enroll in Woodbridge School District after the fifth day of the school year, who meet the financial assistance criteria, or a family, which incurs a significant financial hardship, as determined by the Superintendent, will be eligible to apply for the district's financial assistance program.
- The District reserves the right to revise the guidelines for this financial assistance grant each school year.
- The District may elect to subsidize the Woodbridge PTO uniform offering program.

A listing of families who have received financial grants enabling them to comply with the Woodbridge School District Uniform Dress Code Policy will be maintained by the Office of the Superintendent.
