**Dear Parents,**

**Woodbridge School District Announces the My School Menus™ Mobile App for Parents and Students**

The Woodbridge School District is pleased to introduce their new **My School Menus™** mobile app available in the iTunes App Store and Google Play. The **My School Menus™** app allows parents and students to access nutrition information for the school meal programs directly from their smart phones and tablets. **My School Menus™** is designed to provide nutrition information on all of the foods served in the school meal programs. This app will enable parents, students and teachers to make healthy food choices whenever it's convenient, 24 hours a day, 7 days a week, 365 days a year.

Parents of the Woodbridge School District can access this service by going to either the iTunes App Store or Google Play and downloading the app to their smart device. Don't have a smartphone? You can get the same information by visiting the district website or [www.MySchoolMenus.com](http://www.MySchoolMenus.com). There, you can also print the nutrition information and district menus for posting on your refrigerator at home. Parent and students can depend on the Child Nutrition Department of the Woodbridge School District to be their nutrition resource.

Sincerely,

Joann Joseph
