In 2014, the Western Sussex Summit originated with the Woodbridge School District's Director of Student Services trademark question "*if not you than who; if not now, then when*" as the impetus to organize the Social Emotional Learning event as an annual gathering of professionals working to support Delaware's students.

This year, the 4th Annual Summit continues its challenge to participants to **Meet the Social Emotional Needs of Delaware's Children**, focusing on Resilience building. Mr. Pete Hall and Ms. Kristin Souers will engage participants as the keynote speakers with their presentation, based on their book "Fostering Resilient Learners". After the keynote address, the attendees, from schools and child-serving agencies across the State of Delaware, will enjoy a light lunch followed by additional sessions all within the same theme of Social Emotional Learning and Resilience-building.

Every child deserves
a champion -
an adult who will never
give up on them,
who understands
the power of connection
and insists that they
become the best
they can possibly be.
- Rita F. Pierson

Event Location:

Woodbridge High School, 14712 Woodbridge Road, Greenwood, DE 19950
